Review for exams will be held May 27 through June 4 during regular class times.

Upper School students in grades 8-12 need to be at school during their scheduled exams. Classes not having exams are P.E., Life Skills, Music, and Art. If you have one of these classes, you will not have an exam and do not need to be at school during that scheduled class time. No lunches will be provided for the Upper School students. Due to the possibility of extended time for testing, the student and teacher will discuss the arrangements for extended time when it is needed and calls will be made to the parents for transportation pick up.
