

July, 2008

The Board of Directors, faculty, staff, and students of Dore Academy wish to express our sincere appreciation to all of our donors. Your generosity makes you a critical part of Dore Academy's mission to help our students achieve their goals and dreams.

We have enclosed the most recent *DoreWays*, the Development newsletter which shows just some of the ways your contributions are helping our students achieve those goals. If you would like to receive future newsletters via e-mail, please send your e-mail address to [cmccullough@doreacademy.org](mailto:cmccullough@doreacademy.org).

Contributions to the Dore Annual Fund are used to supplement tuition, fund scholarships, and assist in the general operating expense of the school. Donations of over \$250,000.00 have been used to buy equipment, update technology such as the addition of SmartBoards and the most current software, and offer faculty training such as "Orton-Gillingham" and "Project Read®." Through the use of technology and the arts, our students have the opportunity to express themselves and demonstrate their knowledge in new ways.

These donations help ensure that we are able to keep our tuition costs down and have the ability to serve students at the highest level possible. Dore strives to be innovative in teaching students with attention and learning disabilities, and your donations assist us in providing them with the tools needed to accomplish their goals.

Dore Academy acknowledges with much gratitude the contributions made to the 2007-2008 Annual Fund and all other donations by the following individuals, companies, and foundations between July 1, 2007 and June 30, 2008. If your name has been inadvertently omitted or your gift reported incorrectly, please accept our apologies and notify us:

Dore Academy Development Office  
1727 Providence Road, Charlotte, NC 28207
